## Management Commentary

Commenting on the results and performance, Mrs. Shobhana Bhartia, Chairperson and Editorial Director, HT Media said:
"Our performance this quarter has been satisfactory despite subdued economic activity and tepid markets.

Our English publications saw a growth in revenue even after factoring in a base effect, and this was driven by growth in both HT Mumbai and Mint. Hindustan continues to demonstrate remarkable resilience and saw high growth rates. We successfully acquired the stations of our choice in the Phase- III FM auctions. The digital business grew in terms of revenue and saw a fall in losses.

We are excited by the opportunities on offer, the prospects of our various businesses and are confident of executing on our plans in the coming months."
